

HR / Payroll Product Consultant

- **Several positions available due to strong growth**
- **Location Canberra**
- **Leading Australian HRMS software company**
- **Amazing opportunity**
- **Travel**

Aurion Corporation is the leading Australian developer of Human Resource Management (HRM) software. Our products and services are used by major companies in a wide range of industries including education, insurance, energy, financial services, healthcare, government, manufacturing, printing and publishing, media, communications and logistics.

Aurion has opportunities for Product Consultants reporting to the Manager of Professional Services

- Implement Aurion's HR and Payroll software at client sites
- Prepare project plans
- Conduct client meetings to ascertain requirements
- Provide training

We are seeking pro-active career minded people who are passionate about providing superb client services with the following attributes:

- HR/Payroll Software implementation experience essential.
- Recent business consulting experience desirable
- High levels of business acumen, communication and problem solving skills
- HR and Payroll experience and/or qualifications desirable
- Travel an integral part of this position

You will be motivated and confident to become part of a well respected market leader.

A competitive package will be negotiated with the successful candidates commensurate with experience.
